

April 14, 2024 3rd Sunday of Easter

SCRIPTURE REFLECTION THIS WEEK

In today's Gospel, Jesus came to His fearful disciples. He not only came to them to ease their fears and reveal that what the prophets proclaimed about the Christ was true, but to also give the gift of hope that those who remain faithful to Him will also share in His Resurrection. The Church has always taught this infallible teaching as the Catechism paragraph 658 states, "Christ, 'the first-born from the dead' (Col 1:18), is the principle of our own resurrection, even now by the justification of our souls (cf. Rom 6:4), and one day by the new life he will impart to our bodies (cf.: Rom 8:11)."

RESCHEDULED

Sacraments and Social Mission Workshop

at

St. Agnes Our Lady of Fatima Parish

Sunday April 28th

12:30- 4:30PM

Presenter: **Kelly Bon**,

Director of The Diocesan Social Action Office

The sacraments the Church celebrates are signs of grace that make a deeper reality present to us. One reality we encounter through the sacraments is Christ's presence in the Church community, his body.

Join us as we recognize Christ's presence in the community and how that will lead to a stronger awareness of being sent on a mission to engage in concrete, love-inspired action in the world.

The resources we will cover can help you to better understand the connections between the celebration of the sacraments and our social mission as followers of Jesus and the Body of Christ.

This is training for those who would like to serve on the Social Action Commission; however, All Are Welcome!

Child Abuse Prevention Month

April is Child Abuse Prevention Month (CAPM).

We highlight this month every year because we are called through Scripture and Tradition to protect the life and dignity of every human person, especially the young and the vulnerable. Did you know... Child abuse comes in many forms. Most people identify child abuse as physically hitting a child. Neglect is also a form of abuse. Failing to provide a child with proper nutrition, housing and supervision can cause irreparable harm. Expectations that a child be an active participant in the care of home and family, or even age-appropriate jobs is a part of healthy development. But excessive demands can cross into a form of servitude that is beyond the societal norms. Child pornography is a form of sexual abuse, with real victims in every image. The viewing of these images is an offence against the human dignity.

LISTENING TO YOUR BODY WHILE ANSWERING THE PROPHETIC CALL

Sunday, May 5, 7:00pm | Zoom Webinar

As disciples of Christ, we have committed to God and answered His call on our lives. In our walk with the Lord, we have learned to listen to Him, however, many of us have martyred ourselves by ignoring the God-given signals and alarms of the very temple He created for us to walk in our calling. This session will take a deep dive into health and wellness regarding common health issues in our community such as inflammation, insulin resistance, heart disease, and hormone regulation, and how they correlate and impact the very call God has sent us on. This session is part of the NBCC 2024 Webinar Series.

To register go to:
